AN INTRODUCTION TO JEAN-LUC BENALET PHOTOGRAPHY

My name is Jean-Luc Benazet, and I am a professional photographer in Cambridge.

My goal is to tell the story of your wedding day in as unobtrusive a manner as possible, capturing the special moments that you will treasure forever.

I know my way around Cambridge university colleges & wedding venues in and around the city.

WHY SHOULD YOU BOOK JEAN-LUC BENALET PHOTOGRAPHY

My husband and I booked Jean-Luc for our wedding party celebration. Absolutely love the photos he captured! We asked Jean-Luc if he could take lots of photographs of people mid-conversation, mid-emotion and that's exactly what we have! He really captured the personalities of our guests as well as the occasion itself! Lots of our guests have commented on how fantastic the photos turned out. Very professional, friendly and easy to chat and discuss our ideas with beforehand and on the day. Would highly recommend Jean-Luc for any occasion.

Suzie & Jon - Granary Barns, Newmarket

Jean-Luc is a good professional, excellent photographer and, above all, a great man. We are, overall, very pleased with his work: attention to detail, fast and accurate. We highly recommend his services to everyone in

need of a good photographer. Jean-Luc, many thanks for your beautiful work during our wedding.

Pani & Senay - Madingley Hall, Cambridge

We booked Jean-Luc for our wedding in July and are so pleased that we chose him to be our photographer. He was really helpful beforehand, and on the day itself he was unobtrusive yet must have been everywhere at once to get the wonderful shots that captured our day perfectly. And we were delighted to receive the photos so quickly too! He was an absolute pleasure to work with - would definitely recommend him!

Vicky & Rob - Queens' college, Cambridge

Jean-Luc did the photography for our wedding and was brilliant - he was great at putting everyone at ease and we were

delighted with the pictures he took for us. He was really clear and helpful at every stage. Would wholeheartedly recommend to anyone looking for a wedding photographer.

Rachel & David - Corpus Christi college, Cambridge

Jean-Luc was fantastic from start to finish. He got hundreds of wonderful photos. We particularly appreciated that he managed to get excellent natural shots without disrupting people whilst they enjoyed chatting, and made sure that we had at least one photo of each person. We chose him because he had been so excellent for my brother's wedding - it was an easy choice. We couldn't recommend him highly enough!

Richard & Sarah - King's college, Cambridge

WE WOULD LOVE TO PHOTOGRAPH YOUR WEDDING!
