Our Story

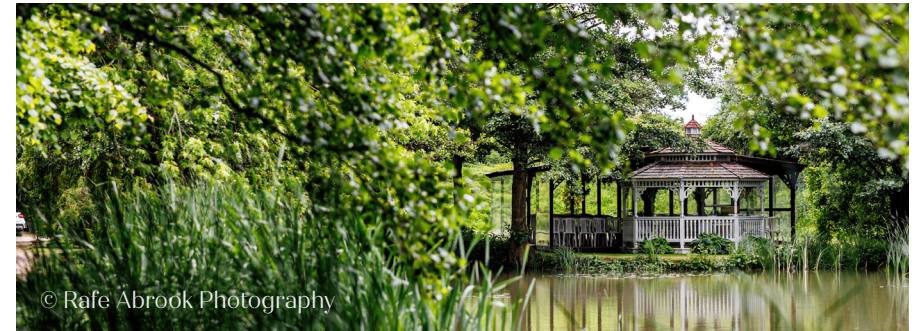

We are a husband and wife team who were married at Minstrel Court in 2022. We fell in love with the place, so when we found out that the previous owner was leaving and it was closing, we couldn't bear to see it go. We decided to take a leap and buy the venue in the hope that we could provide others with the beautiful experience that we had. It is therefore our pledge to do everything we can to give you the most perfect event imaginable!

With love,
Sara & Na'im
