AT 30 EUSTON SQUARE

A traditional venue with exquisitely modern spaces

Located in the heart of London, 30 Euston Square is a historic, Grade II* listed wedding and events venue, originally built in 1906.

Our historic property integrates a grand Edwardian façade with Greek revival architecture, coupling beautifully with modern detailing and contemporary characteristics within the spaces.

“ The marriage of 30 Euston Square’s old and new features were very attractive. The State Rooms were of excellent quality and did not require much in the way of decoration, they were beautiful in their own right. ”
